HYDERABAD METRO RAIL CELEBRATES INTERNATIONAL WOMEN'S DAY WITH THE THEME #EachforEqual

L&T Metro Rail (Hyderabad) Limited (L&TMRHL) is happy to announce that it has organized International Women's Day (IWD) celebrations across all the three corridors of Hyderabad Metro Rail, emphasizing on - *Equal World is an Enabled World #IWD2020 #EachforEqual*. These celebrations were very well received by the women passengers and staff. All the women participated with great enthusiasm and zeal.

Mr. KVB. Reddy, MD & CEO, L&TMRHL stated, *“Hyderabad Metro Rail is committed to women's empowerment and will strive for gender equality at all levels across the organisation. The theme for International Women's Day (8 March) 2020 is, I am Generation Equality: Realizing Women's Rights. Hyderabad Metro Rail (HMR) helps and supports women employees, to achieve their work-life balance, while ensuring work satisfaction at all times so that they are be able to meet both professional and personal goals.”*

The best example of women empowerment Hyderabad Metro Rail can boast of are its Women Train Operators. A typical day of a Women Train Operator shows how a woman plays different roles in a day, both as a professional and as a homemaker or as a daughter. Unlike in the past, organizations and managers today have come forward to accept the impact that work has on personal life and vice-versa.

The role of a train operator demands presence of mind, along with courage to handle unexpected situations. It also requires mental and physical fitness, alertness of mind and willingness to follow tight time schedules, which includes solitary work and a huge responsibility for operating trains (in terms of safety, security and time management). HMR is proud of its Women Loco Pilots.
