Terms & Conditions

1. Trip Pass will be valid only for 45 days from the date of purchase of trip pass
2. Your Smart Card has been loaded with Trip pass and trips are available in the smart card then the trips will be utilized first irrespective of cost of your journey. Hence, under travel or over travel will also utilize the trip from available balance

For example,

Your smart card has been loaded with Rs. 45/- trip pass and there are 15 trips available on your date of travel ie., 2nd November. You travel for Rs.15/- or Rs. 55/-, one trip will be deducted from the available trips and trip balance left will be 14 trips

3. In case of over travel, one trip will be deducted from available trip balance. You need to pay the excess fare amount at the station exit gate. In above example, you have over travelled for Rs. 55/-, thus you need to Rs. 10/- as an excess fare
4. At any given point of time, only one fare zone trip pass can be uploaded in Smart Card. Hence, you need to hold different smart card for different fare zone trip pass to use it at the same point of time
